- Other Information: Enjoy Zoom video chat with friends and family on the big screen. (Zoom app download required) | Ambient Optimization Pro recognizes where you're sitting in the room and automatically optimizes picture and sound according to the room environment. (This feature is available on BRAVIA XR TVs. Firmware update may be required.) | Proximity Alert allows you to set an adequate viewing distance for your child and displays an overlay notification if they get too close to the TV. (Firmware update may be required.) | Easily connect BRAVIA CAM to your TV via USB. The integrated camera cover switch on top allows you to close the camera cover whenever privacy is preferred.
- Special Info: Detecting the distance between you and your TV, BRAVIA CAM adjusts TV brightness. BRAVIA CAM follows you and your position, even if you are watching from the sides, then adjusts left and right sound balance for optimum acoustics. By detecting your viewing distance, BRAVIA CAM is able to adjust voice zoom automatically so you can hear dialogue clearly.
