- For Any Invoice From Rs.150,000 And Above, A Delivery Rate Of Rs.2000 Will Be Charged.

Specifications:

- :Type: Steam Iron
- :Power / Wattage: 2400 watts of power of the Express steam iron ensures that the iron heats up rapidly, making it easier to handle various fabric types efficiently. Be it light cotton or heavier materials like denim, the high power output delivers smooth results in less time.
- :Soleplate Type: Ceramic Soleplate for Easy Gliding: The ceramic soleplate is crafted for a smooth, effortless glide across all fabric types. Its specially designed edges and durable ceramic coating ensure even heat distribution, preventing snagging or sticking on delicate fabrics.
- :Water Tank Capacity: Large water tank, refilling is quick and easy, reducing interruptions during ironing and ensuring both speed and precision
- :Steam Output: The continuous steam output of up to 40g/min ensures a steady release of steam while ironing. This consistent steam flow is ideal for general ironing tasks, providing smooth results on a wide range of fabrics.
- :Anti-Drip System: The anti-drip system prevents water from leaking onto your clothes during ironing, ensuring your fabrics remain stain-free. This feature ensures a clean, flawless finish on delicate and light-colored garments.
- :Design: Compact, Ergonomic, Up to 20% More Steam: The Tefal Express Steam Iron delivers up to 20% more steam making ironing efficient and quick. This feature ensures that steam gets in the fabrics more effectively, reducing ironing time and providing better results on tough wrinkles.
- :Voltage: ?230 Volts
- :Colors: Green
- :Dimensions: 10.5L x 8.2W Centimeters
- :Weight: 1230 Grams
- :Other Information: Up to 210g/min Steam Shot: Delivering up to 210g/min of steam the Express steam Iron is perfect for removing tough creases and deep wrinkles from thicker fabrics. The steam shot gets into multiple fabric layers, making hard-to-iron materials like wool or linen easier.
