Specifications:

- :Type: Steam Iron
- :Power / Wattage: 2600 watts of power, the Express Steam+ Iron heats up quickly and offers an efficient ironing experience. Due to this high power output iron heats up quickly and enables you to iron fast making it easier to handle even large loads of laundry in no time.
- :Soleplate Type: Ceramic Soleplate for Easy Gliding: The ceramic soleplate equipped with durilium technology in this Tefal's Express Steam+ Iron offers smooth, effortless glide across all fabric types. Its specially designed edges and durable ceramic coating ensure even heat distribution, preventing snagging or sticking on delicate fabrics.
- :Water Tank Capacity: Large and Easy-to-Refill Water Tank: Featuring a water tank with a wide opening, the steam express iron is easy to refill. The large capacity of the tank also ensures longer ironing sessions without the need for frequent stops, making your ironing experience smoother and more efficient.
- :Anti-Drip System: The anti-drip protection system of the iron prevents water from leaking, ensuring that your linens stay spotless and free from stains especially when ironing delicate or light-colored fabrics.
- :Fabric Selection / Temperature Control: Five Ironing Settings: The Steam express iron offers five adjustable settings, providing the perfect temperature for each fabric type. This approach ensures better efficiency and eliminates the risk of burns, keeping your garments safe and wrinkle-free.
- :Design: Compact, Ergonomic, Up to 20% More Steam: The Express Steam Iron offers up to 20% more steam and offers better performance for faster, more durable ironing. This enhanced steam output reduces ironing time by efficiently removing wrinkles, ensuring smoother results on various fabrics.
- :Safety / Protection: Auto On/Off: Tefal's Express Steam+ Iron features an auto on/off function for enhanced safety and energy efficiency. The iron automatically shuts off when kept inactive for a few minutes. This ensures peace of mind, reduces energy consumption, and prevents accidental burns or overheating.
- :Voltage: 230 Volts
- :Colors: Blue

- :Dimensions: 10.5L x 8.2W Centimeters
- :Weight: 1290 Grams
- :Other Information: Up to 190 g/min Steam Shot: The steam express iron shot feature offers up to 190g/min of powerful steam, perfect for eliminating stubborn creases. It penetrates deep into fabrics, removing tough wrinkles on even thick or layered garments like jeans or linens. Steam Boost for Tough Wrinkles: For heavily wrinkled or thicker fabrics, the steam boost function delivers an extra burst of steam, effectively smoothing out even the most challenging creases and offering you professional-level ironing results.
